CRITICAL DETAILS

LENGTH: 6'6"

WIDTH: 20 5/8"

THICK: 2 1/2"

FIN SET-UP: Tri-Fin

FIN SET: FCS MRTX

DESCRIPTION FROM DESIGNER

"Waiting to go off! This board was designed to be super fun in a variety conditions. It's insanely fast, loose and picks up waves like a magnet. While Bonga is primarily recognized as a long-boarder he rips on short boards, too! He's helped me to create a board that's all about increasing your fun factor and wave count." - Carl Schaper
