CRITICAL DETAILS

LENGTH: 7'6"

WIDTH: 21 1/8"

THICK: 2 7/8"

FIN SET-UP: Tri-Fin

FIN SET: FCS Glass Flex M7

DESCRIPTION FROM DESIGNER

"A great wave catcher and personal favorite that's been refined with Bonga's feedback. Designed to cover a lot of territory, it works unreal in beach break and handles fun-size conditions in Hawaii. Depending on where you live and surf, it's quite possibly a one board quiver."

- Carl Schaper
