CRITICAL DETAILS

LENGTH: **8'0"**

WIDTH: **22"**

THICK: **2 7/8"**

FIN SET-UP: **2+1 w/FCS side**

FIN SET: **7 1/2" Schaper center
FCS GX sides**

DESCRIPTION FROM DESIGNER

"With East Coast roots and tenure in Hawaii, I've been perfecting this "Mini-Tank" design for three decades. It paddles and surfs fast, with low entry rocker that provides great wave catching ability. Bonga's worked with me to maintain a balanced design with enough nose width to ride from the front, that remains neutral enough to be ridden off the tail as well." - **Carl Schaper**
