CRITICAL DETAILS

LENGTH: **8'8"**

WIDTH: **22 3/8"**

THICK: **2 7/8"**

FIN SET-UP: **2+1 w/FCS side**

FIN SET: **7 1/2" Schaper center,
FCS GX sides**

DESCRIPTION FROM DESIGNER

"The smaller version of the renowned 9'1". For the advanced surfer it's the refined longboard needed for the big days or on fast, down-the-line point breaks. Additionally it's foil and reduced outline make it perfectly suited as the mainstay longboard for riders under 150 lbs. A great design that performs in a multitude of conditions." - **Carl Schaper**
